FIFTEEN-MINUTE HABIT — two notes a week is plenty.
"Fill three blanks tonight, seal it tomorrow. Done is delivered."
"Keep stamps and a pen in the same drawer as this tracker."
"Behind? Nobody's counting. A late thank-you is still a thank-you."

SMTP MEANS NOTHING HERE — this is pen, paper, and a real mailbox.
"Round envelopes look lovely with the scallop liner inside." "Stuck on words? Borrow a starter from any sheet's wording panel."
"Print this page again whenever the rows run out. It's free, forever."
