GRATITUDE WITHOUT GUILT

Nurse Thank-You Cards

For the hands that held steady. Name the moment — that's the part they keep. Cut along the dashed border.

✂cut

Thank you for your care

Dear .....,

During our stay, you did more than your job: you .....

The moment we'll never forget is .....

You made a hard week gentler. Thank you.

With gratitude, ...

✂cut

From the whole family

Dear .....,

You cared for ..... with ..... , and we saw every bit of it.

Thank you for .....

Please know this card goes in the drawer of things we keep.

Forever grateful, ...

WORDING STARTERS — one true moment beats ten polite sentences.
"You explained everything twice, patiently, and it steadied all of us." "On your worst shift of the week, you made us feel like the only patients in the building." "We were scared; you were calm. That combination got us through."
