GRATITUDE WITHOUT GUILT

Teacher Thank-You Cards

From students or families — both work. A specific detail ("the way you explained fractions") lands better than anything generic.

From our family to yours

Dear .....,

Our child comes home talking about .....

Thank you for .....

Teachers like you are rare, and we noticed everything you did.

Gratefully, ...

WORDING STARTERS — one specific memory is the gift.
"When I didn't understand __, you sat with me until it clicked. Thank you." "You made room for my kid exactly as they are. That changed our year."
"The trick you taught about __ still works. Proof that good teaching sticks."
